

SEAS 2020 Trashion Fashion Rules and Regulations

1. Fashion item must be a complete outfit, both pants/skirt and top or a dress.
2. 90% of the outfit must be made from previously used materials that have been rescued from the trash or recycling bin, no coffee filters, new plastic bags or duct tape (see rule 4). Do not buy new materials for the outfit.
3. Undergarments or “forms” such as shirts or dresses can be used, but they must come from a thrift store or be something that you were planning to discard or give away from your home or school. The “form” must be covered 100% by the “trash”.
4. Velcro, duct tape, hot glue, sewing and safety pins may be used to hold materials on an undergarment or “form” and/or attach the outfit when the model is wearing it. Outfits and embellishments cannot be made from duct tape.
5. All embellishments (like flowers, belts, purses, hats) must be made from previously used materials as well.
6. No materials can be used that advertise alcohol, cigarettes or illegal substances.
7. No natural materials, such as shells and leaves, can be used.
8. You may spray paint or dye materials used.
9. All tops must either have sleeves or straps.
10. Skirts and dresses cannot be shorter than the fingertips when the student’s arms are extended by the side of her legs.
11. There should be no skin exposed between upper and lower garments
12. Models can wear their own shoes.
13. The creator and model do not need to be the same person.

For ideas, check out Pinterest and/or search for Trashion.

SEAS Registration: <https://forms.gle/1HLY19N3yTLFhG1VA>

With registration please include a short description of the outfit, including what trash or recyclable materials were used. Be as thorough as possible in your list of materials used.

Each school can have up to 2 outfits modeled/featured in the actual show. If your school wants to bring other outfits, they can be displayed at your Showcase table.

Models should be wearing clothes they can easily wear under their Trashion outfit. ***There is no private dressing area. Outfits will be put on in an area visible to SEAS attendees.***
